Dear Clinton Savings Bank:

Thank you for your recent gift of \$50.00, in memory of *Michael F. Crowley*, to the fight against cancer. Gifts such as yours enable the American Cancer Society to fund cutting edge research, provide life saving education and state-of-the-art information, and deliver vital patient services to cancer patients and their families, such as free rides to treatment and support groups.

Expressing appreciation to you as a valued donor is one of the most satisfying aspects of our work at the American Cancer Society because it means that we have earned your trust, confidence, and support.

Today, the relative five year survival rate for cancer patients is 64%, and continued advances in research, detection, treatment and education promise greater hope for the future. The best way to fight cancer is by preventing it. Thank you again, and we look forward to continuing our progress with you as our partner.

To reduce administrative costs, your gift was processed at a central facility. Please be assured that your gift will be credited to your local area.
