CLINTON SAVINGS BANK PARTNERS WITH ROTARY TO FUND DISASTER PROGRAM

Local Campaign to Fund and Ship ShelterBoxes to Disaster Areas

(CLINTON, Mass., August 4, 2010) – Clinton Savings Bank announced today that it will partner with the Rotary Club of Clinton for a month-long campaign to raise funds for ShelterBoxes, a Rotary program that sends vital survival gear to disaster areas around the globe.

Every year, hundreds of thousands of people all over the world are affected by disasters – like the recent earthquakes in Haiti and Chile – and often lose everything, including their homes. ShelterBox instantly responds by delivering boxes of aid that supply an extended family of up to 10 people with a tent, water filtration system, stoves, pots and pans and basic tools to use while they are displaced.

Beginning on August 4 and running through the first week in September, coin boxes and informational flyers will be placed in all Clinton Savings Bank branches, where the public can make donations. The Rotary Club of Clinton will also set-up an actual ShelterBox on September 11, 2010 in the Clinton Town Hall during Clinton's Olde Home Day weekend so that people can see all that the program provides. The Rotary Club will staff the exhibit to answer any questions and to take additional donations.

"One of the most basic necessities for all human beings is shelter," stated Robert J. Paulhus, Jr., President & CEO of Clinton Savings Bank. "Part of our business is helping our neighbors get into the home of their dreams. In our own community, we have supported groups like Habitat for Humanity – that help those in need of shelter locally. The Rotary's ShelterBox program is an opportunity for our

community to reach out to others in the world by giving displaced families the tools and shelter needed to rebuild after a disaster. We are committed to play a role in that effort and support the Clinton Rotary”

Since 2001, ShelterBox has provided protection, warmth and dignity following more than 80 disasters in more than 50 countries. More than 90% of the funds sent to ShelterBox goes directly to charitable works. For more information about ShelterBoxes, visit shelterbox.org.
