Robert Paulhus Jr., President

Clinton, MA 01510

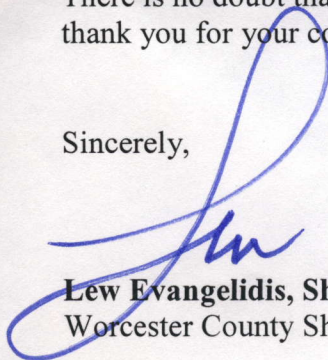

Dear Robert,

I wanted to take a moment to commend you for making your community a better place through your donation to Berlin's Old Methodist Episcopal Church. The success of any community is determined largely by businesses, like the Clinton Savings Bank, who take it upon themselves to be leaders, to give back, and to be involved with the community.

As a member of local law enforcement I would like to extend my personal gratitude for your involvement with your community. Your generous donation towards restoring and preserving the historic building should not go unnoticed. I believe that strong businesses have a positive impact on their communities and as a result a positive impact on public safety. In turn a safe and strong community enhances and supports businesses.

There is no doubt that your efforts will leave a lasting effort on the Berlin community. Once again I applaud and thank you for your community involvement.

Sincerely,

Lew Evangelidis, Sheriff
Worcester County Sheriff's Office
