Dear Ms. Azorandia, *SHEILA + ALL OUR FRIENDS AT CSB*

This is a very special letter for me to write. It is not often that I am afforded the privilege of thanking those who have been an integral part of Clinton Hospital's community support system for so many years.

The payment of \$5000.00 from Clinton Savings Charitable Foundation on their Community Investor pledge is truly a testament to the level of commitment to Clinton Hospital, which is why I want to personally thank you and the Clinton Savings Charitable Foundation members for your continued dedication. We are extremely grateful to all of you for your outstanding generosity.

As we go forward together, please let me know how you think the Clinton Hospital Foundation can continue to build support from our friends and neighbors. It is investments like yours that mean so very much to us and our community.

Sincerely,

Jeanne Paulino, Clinton Hospital Foundation
President

*I AM SO GRATEFUL TO CSB FOR
A TRULY WONDERFUL PARTNERSHIP!*
