### **CLINTON SAVINGS BANK DONATES \$750 TO HANDS ON NATURE PROGRAM**

(CLINTON, Mass., August 29, 2019) – Clinton Savings Bank recently donated seven hundred and fifty dollars to support the continuance of the Berlin based, Hands on Nature Summer Program. The outdoor nature educational sessions are conducted for preschool and elementary school children in the Central Massachusetts area to promote curiosity, exploration and knowledge.

“Myself, the counselors and our little central Mass naturalists not only appreciate the monetary support from Clinton Savings Bank, but also their participation and engagement in our Frog Pond adventures. Every year, they look forward to sharing their critter catches and the knowledge that they have learned about nature with CSB’s President & CEO, Bob Paulhus. This year, the children were particularly excited and proud to share all that they have learned about their bullfrog catches.” said Heather Simpson, Founder & Director of Hands on Nature.
