Mobile App Supplement

CSB's mobile apps utilize features on your device to improve performance and help prevent fraud.

The type of information we may collect regarding your mobile device can include:

- Device settings
- Unique device identifiers
- Information about your location
- Analytical information that may assist with diagnostics and performance

Some information is collected automatically and does not require any action on your part. For your convenience, you may be asked to grant permission to access features on your mobile device, which may include but is not limited to, the following:

Permission:	Allows Access to:	Used For:
Camera	The device's camera	Mobile Remote Deposit
Contacts	Contacts on the device	Person to Person Payments/Recipient List
Location	Your location	Maps
Biometrics	Biometric settings on the device	Login to mobile app using device biometrics

It is important for you to understand that before granting access to this information, you will be prompted to give the application that permission. If you do not wish to grant that permission, you may decline. If access is not allowed, the feature requiring that data will not fully function. If you later change your mind, those permissions can be updated in your device's settings.

Relationship to Privacy Statement

This CSB Mobile Privacy Policy supplements Clinton Savings Bank's Privacy Statement and in the event of any inconsistency between the two, the Privacy Statement shall govern.
