Dear Ryan,

We thank you and all of your colleagues from Clinton Savings Bank for your generous sponsorship of the inaugural Reality Fair on March 15th at Nashoba Regional High School. The event was a tremendous success on all counts. With your support, we met our goal—giving students a better understanding of the financial responsibilities they will face in the real world.

Clinton Savings Bank was a significant partner in this event. We appreciate your contributions of sponsorship dollars and clipboards, your involvement on our planning committee, and the hours of time that the many volunteers from your bank donated on the day of the event.

It is because of your spirit of volunteerism, coupled with the generous donation by your employer, Clinton Savings Bank, that this event was truly a major success, not only for the students but for all of the volunteers and sponsoring organizations as well.

Again, we appreciate your involvement and support and we look forward to partnering again with you in this important community activity in the coming years.

Very truly yours,
